The writer

*Why should I grieve because of a thorn?
Once it had made laughter known to me.
Whatever you lost through the stroke of destiny,
know it was to save you from adversity.
One small affliction keeps off greater afflictions;
one small loss prevents greater losses.*

(Rumi)

*Verily, with every difficult there is relief.
Therefore, when thou art free (from thine
immediate task), still labour hard
And to thy Lord turn (all) thy attention
