PREFACE

Thank you to Allah the Almighty who has allowed me to finish my thesis titled “The influence of Emotional Level Towards Reading and Speaking Performances Among The Students of English Department in Airlangga University”. There is nothing can represent my biggest grateful to Allah.

This thesis contents the methods of how to figure out whether there is influence among the emotional level groups toward reading and speaking performances. I realize that there is still much lackness in my thesis, but hopefully there will be any advanced research in the future based on this research.

Many obstacles I have been through during the working of my thesis, which made me a stronger person to live in my live in this world. So that I would like to thank you to many people as follow:

1. My mother and my father, for the love and support
2. My husband and my baby, for the love and uncourageous
3. The advisor lecturer, Mr. Deny, for his time and guidance
4. The head of English Department, Faculty of Letters, Airlangga University;
Mrs. Ita, for her kindness
5. The students of English Department 2000, for the help and support
6. My bestfriends, especially Tika, for the books and support
7. My big family, for the love and support
8. And many others that I cannot mention one by one

Once again thank you, from the bottom of my heart. There are no words can represent my very big appreciation to all of you. May Allah always be with all of you.
