ACKNOWLEDGEMENTS

Thank Allah Subhanahuwataala for his willingness to listen and grant my prayer. I faced so many troubles and obstacles in working on this thesis, which made me almost give up. But He never leaves me. Without his help... probably finishing it is only in a dream.

Some people have given me uncountable contributions and there is nothing I could give but expression of thanks to them, i.e:

Mother, father, grandmother, and young brothers Helmi and Dindi for everything they have done and given to me. I am lucky to have them all.

I am very grateful to Dra. Sudijah S, MA and Drs. Hariawan Adji for understanding my condition and giving me their suggestions and helps.

Kiko, my "invisible friend" for his loyalty and for keeping my secrets.

All the 91' students, especially Hury for being a patient friend, listening to my complaint, and giving me his ideas. Thanks to Tri for her books and sharing our stories. To Yani, for teaching me the meaning of perseverance...

All Makassarese students who became my respondents; especially Jamal "IKAMI", Jaya, Ningsih, Fatma, Achyar, and Fadly "Master Key" for their helps and information.

Risma, my close friend from UNHAS whose faithfulness has made me stronger.

Last but not least, thanks a lot to my beloved man, Wing Hendroprasetyo; for his love, willingness to accompany me, and incessant supports. May God makes us one. Amin...
