ACKNOWLEDGEMENTS

Laa haula wala quwwata illa billa alliyil adzim!! All praises and sincere gratitude be to Allah SWT for every favour He gives to me in pursuing His way and enabling me to accomplish my study. I can never thank enough for every single thing in my life that You give to me. Shalawat and praises also goes to the most beloved prophet, Muhammad SAW, peace and blessing are always above him.

My utmost appreciation particularly goes to Dra. Anna Dewanti, Dipl., TESL as both my thesis advisor and my academic advisor. Thank you for benevolently guiding and supporting me in doing this thesis. Your patience, input, and understanding are massively fruitful to me. I also ought to thank you for spending time to advise me during my study. Thank you ma'am!

I would like to express my appreciation to the lecturers of Writing I class, Sri Muniroh., S.S.M.Hum and Dewi Meyra., S.S. for helping me in collecting the data. Innumerable gratitude also go to all lecturers of the English Department, Faculty of Letters, Airlangga University who have shared their valuable knowledge.

I devote this thesis to my family, especially to my dear mum. Thank you for giving me LIFE and being the most marvelous mum ever. Thousand of words may not portray how much I have owed to you. To

my late father, I may not know you very well but there will always be a place for you in my heart for all my life. To my sister and brothers, thank you for loving me and supporting me.

Loads of thanks may go to Stirwise : Arum, Dewi, Dipa, Embun, Hesthi, Intan, Karjo, and Mimit. Thank you for sharing laughter, delight, and agony through all these past years. All of you excruciatingly make my life more flickering. I am truthfully hopeful that we can keep it this way ever after. I would also thank to all my classmates, year 1999, especially to Titi, Indah, and Tirza. Having you as my friends during my study was conceivably gleeful. To my seniors particularly Mas Andik, Mba Yusi, and Prazt, thank you for everything. My words of thanks also go to my Juniors, year 2000 (especially Khukuh), 2001, and 2002.

Thank you to Adrie, Erdy, Fifi, Kusteeo, Niken, Ririn, Soeis, and Beth for always positively encouraging and reminding me about the completion of this thesis. Awfully loads of indescribable thanks are to be given to my divine despair, for bringing The Cure to me. You will always be lost wishes in my world of make-believe. Last but not least, my earnest gratitude goes to my 'little brother,' Rizal. Thank you for all the way you're right there to help, to listen, and to make me laugh. Do what you have to do!! You never know how anything will change.
