## Acknowledgement

*Alhamdulillah*, since the hard work of finishing my thesis is in an unbelievable time; a sense of wonder has filled my head from the beginning I work with my thesis. Praise all the best to Allah for giving me a chance to finish this delightful business.

I sincerely thank to the following people for their considerations in my personal work (and else), firstly to my beloved Parents: Bapak and Mama Kahar, my Bro. Rudi and Sis. Ria in giving me 'hell of the fight' at home, my sincere amazing Grandma 'Ibu', Dr. Salladien family: Bapak and Ibu Sall, mbak Dian n' mas Edi, Boby, Ari, Rio thanks a lot guys for always accompanying me in Malang, Mr. Sumitro for giving me guidance through my thesis, Mrs. Sumarto and Mrs. Christinawati for bringing me the wonderful world of poetry, my lovely Full-Tank friends: my extraordinary friend Anang: mostly for accompanying me through my bad n' good mood during my thesis process and singing with your heart, Ary: specially for your PC monitor, Dondon: for being together on my thesis, Liz, Inu', Lily: thanks a lot for the PC gift, Iza, and other lovely Tankers for "what the *hail* is goin' on?", Uut, Yudi (Mr. Cuex), Wien: *yoo-hoo*. I give ya credit! (not only for that big-heavy-book), Emma: PcDang forever, Dewi, Willie, Rani, kungfu boy Andhy Arya to keep kicking me on my thesis and Apel Putih, Dani Riandi for giving me shelter when no where else I can go, Ferry: I'm speechless, EDUA hangover friends, the crazy but funny *cungkruk* boys of

Jojoran I/17A, Led Zeppelin: you fill my nights with your crazy-but-cool sounds, Mr. Thomas Gray, and many other cool people that I cannot mention here but still I have a full basket of credits for all of ya.

Still there are some loving people that I'd like to give more than just thanks and credits toward my whole life since they help me to shape my being: past, now and then. I can be never enough to express my feeling of gratitude to these most wonderful folks of my life: my second family *Hurricanes*: Donny, Giwok: live like a butterfly!, Maizar: I miss you, Ucok, Iin, Indo, Eben, Yanti, Ruli, Vita, for our wonderful and never forgotten dreams and times we have spend through all our friendships life, and last but never least my lovely flower adek Sophia Yuliasuti for taking care of my hidden dreams by to keep loving and trusting me, *Lea* ; this work is all for you, guys!

Finally the nature of my thesis is quite far from perfection since the quality I have. Thus still I'm looking forward for critics and suggestions toward my thesis and my life as well, for all who concern. Life is never short and simple for the one who puts his life as a student.
