I drive myself crazy when I remember all the chaotic and monstrous moments that I have been through during my study in the department. Everything, anyhow, seems to be fascinating. I can't believe that the time of my honor has come; the time from which I will throw my body and soul to the real world and the real life. I do understand that what we do in life echoes in eternity. What I'm doing now probably will fade away soon. Anyway, I have tried my best.

The first limitless gratitude goes to my Lord, the Greatest One, Allah SWT, for whom I dedicate everything and anything. I know that I'm not a good man. But I will. Until the day the ocean doesn't touch the sand, I'll be Your truly worshiper. I wish God, and I'll be always wishing. To my lovely prophet, Muhammad SAW, may I be your roommate in the next life. Though I'm not deserved to be.

So many times have been wasted, so many chances have been skipped. To my beloved Bapak and Ibu, please forgive your son. I'm nothing but a black sheep of the family. You will be my very best honour. To Mas Hendra, Yana and Hengki, my I give you precious things in life; everything that wasn't used to be in front of our eyes. To the forgotten Bulek Zaenah and Mbah Zahrah, may you rest in peace.

I would like also to confess my great thanks and respect to the head of the department and also my thesis advisor, Dra. Christinawati, for all the patience and smiles that keep me breathe and see the future. To Dra.Sudijah, MA, my academic

advisor and all lectures of the English Department, thanks for widening and deepening my understanding about life through the language and literature.

To all my friends, EDSA '98, thanks for filling my days. I pray that you will stay in my mind. To Andri Cahyono, step your feet on reality, my brother. There is still long way to run. To Rini Heri, S.S. and Ayu Saulina S.S., thanks for being my shoulders. To my imaginary lovers, I hope I can have you all. Yet, it is not the time yet to make a change. I am still nothing.

Many great football teams shake the world. However, there is only one team in my head, Manchester United. I am dreaming to be one of you guys. To my radio, thanks for the news, laughter, and most of all, music that you have played to my ears. To Jim Care, the funniest man on the earth, we're going down town, fellow.

Last but not least, to me, myself and I, there is always a time when that dream you dream becomes that thing you do. So just relax, take some times and think about everything you have got. Always remember, the point of departure to eternity is always waiting. Be prepared.
