ACKNOWLEDGEMENT

Alhamdulillahirobbil'alamiin. First of all,I would like to express my endless great thank to Alloh SWT for always giving me the very great mercy so that I can finish this thesis. I can do nothing without His guidance.

I also wish to express my thank to everyone who has given contribution in accomplishing my thesis. They are: Bu Ismari Suwono who has always been kind and patient in advising me during the process of finishing my thesis. Pak Hariawan Adji who gives me an important advise, my beloved parents, brothers and sister who always pray and support me in finishing this thesis. Great thank is also given to my very best friends Helen, Noeng, Ima and Hury who always help my problems and those whose names cannot be mentioned here who has always been kind in giving me support and help to accomplish this thesis.

Finally, I realize that this thesis is far from perfection. Therefore, any constructive critics and corrections will be accepted to make it better and I hope this thesis can be useful.
