ACKNOWLEDGEMENTS

I offer up all glory, praise, and honour to Lord Jesus Christ, who always stands besides me and overwhelms my life with grace. None can do like what You do. No body loves me like You do. I am so grateful for everything I have in You. You mean more than this world to me. I do love You.

My special thanks would be to my mom and dad. I thank you for always offering up prayers to God's throne for me and hanging your dreams on me. You are the most incredible persons I have ever known and always sustain me with your prayers. You know that you can always count on me.

My special gratitude goes to Mr. Jurianto for helping me in doing my thesis. I believe that it is more than just a chance to have you as my advisor. I learn a lot of things from you. The way you analyze a matter and criticize a work makes my work perfect. I pray The Lord will bless you with all His kindness.

I thank Ms. Lusvita and Ms. Yuni who had given me chances to do my experiment in their listening class. You are very helpful and kind to me. To all the students of auditory comprehension class, I thank you for your willing to be my respondents.

To my brother and sisters, I thank for always supporting me to be the best in the family. To my gangsters: Lim, Ilil, Nok, Grace, Pakne. Masne, I thank for always cheering my days with stories, jokes, and laughing. What wonderful days we had already had together. Special to Fathimah, I thank for the incredible pictures. The last gratitude I offer to the one in my dreams for always being there for me. I have been waiting you for so long.
