## ACKNOWLEDGEMENT

Alhamdulillahirobbil'alamin. That is the first word I'd like to say to the greatest Lord Allah SWT for giving me strength to finish my thesis. He is the one who always watches me at the day, and guides me at night. He is the one whom I turn everytime I felt alone in the mid of the crowd. I probably never finish my thesis, without His bless and kindness.

Later on, I would like to send my deepest thanks to my Thesis Advisor, Erlita Rusnaningtias, MA. Thank you for being so patient in facing me. Thank you for reading my thesis. Thank you for correcting it. Moreover, thank you for being my thesis Advisor. I know that I have many mistakes, and make you busy by reading my thesis. For that, I can only say really sorry.

And then, I would like to deliver my deepest gratitudes to Dra. Lilla Musyahda, M.Pd, as the Head of English Department.

Next, my greatest thanks go to my family. For Mama and Papa, I believe it will not be enough for me, no matter how many thanks I say, to pay your love to me. You are my inspiration, my spirit, you always pray for me at night and day then I can finish my thesis. And for my beautiful niece, Lyla, thank you for being my object. For Mbak Dian and Mas Hasan, thank you for giving me support. Especially thanks goes also to my fiance Mas Gin, thank you so much for giving me support, pray and everything that you have given to me to help the process of doing this thesis.

And big hug and kiss for my friends Yuni, Neti, Dea, Kiki and Lia who always support and accompany me when I am sad and happy.

**Last but not least, for all AJ students especially AJ 2009 family, being with you is the best moment in my life.**
