Acknowledgment

This thesis would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study. I would like to extend my appreciation especially to the following:

- Thank Allah for the wisdom and perseverance that has been bestowed upon me during this research project, and indeed, throughout my life.
- Ma'am Ema Faiza, M.Hum for the continuous support of my undergraduate study and research, for her patience, motivation, enthusiasm, and immense knowledge. Her guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my study.
- My beloved parents, my gorgeous mom and super dad for their unconditional support, both financially and emotionally throughout my degree.
- All of my lecturers in this Faculty of Humanities especially my english department lecturers.
- The last but not least, I would like say thank you for all of my friends (vinka, wiwid, mentari, ecy, rere, etc) who help me and always give me information about this final project.

Finally, may Allah to always bless us. Good luck and success for all of you.
