ACKNOWLEDGEMENT

After all the hard work in finishing this thesis, it is a pleasure thanks to all those who gave me the possibility to complete this thesis. I would like to express my deep and sincere gratitude to Allah SWT who gives me faith and strength until I finally be able to finish this thesis.

This thesis would not have been possible without the guidance from my thesis advisor; Maimunah, M.Hum, M.A., for her patience, motivation, enthusiasm, immense knowledge and guidance to help me in all the time of research and writing of this thesis and also Dewi Meyrasyawati, M. A., M. Hum for her kindness being my “second” parent.

I owe my next deepest gratitude to my parents Drs. H. Mashuri and Hj. Siswandari S.Sos, for all supports throughout my life, my brother Nico Fahrizal, my beloved niece Octavia Khoirunnisa. I also want to give my gratitude for my best friends; Ellen Puspita Sari for her willingness being my motivator and Ar Ducha Misfa’I for his willingness accompanying me to exceed my stressful days.

I am also grateful for the encouraging supports and helps from my best friends in English Department Mei Rizky Pradini who becomes my “joy and pain” partner, Rahmaniar Endhita Rini who always hears my grievances and becomes my incredible “life advisor”, Lucky Setyorini, Yoanita Oktaviani, Ajeng Nurkemala, Firdausi Rosyda, and all my friends whom I cannot mention one by one.
