First of all, I praise the Almighty God for His blessing gives me strength and spirit to finish this thesis.

Special acknowledgment should be made for the help of Drs. Amir Fatah M.Hum as my advisor whose patience, valuable guidance, encouraging support and some references given that are useful for finishing my thesis. Many thanks are also to all lecturers of English Department of Airlangga University from whom I get valuable knowledge.

I am particularly grateful to my beloved mother, brothers and sisters in Surabaya, and all the family members in Tulungagung whose encouraging support and endless love greatly motivate and encourage me to finish my study, especially to my closest friend, Yuni, for the support, loyalty and patience.

Lastly, I should express my thank to my religious teacher for his guidance into this life, all my friends in English Department, Anas, Dedi, Rahmad, Tony, Ari, Wisnu for the time we spare, and for those who contributed their opinion to improve my thesis.

This thesis is very simple due to my limited knowledge. To be honest, this thesis is far from being perfect and still need a lot of improvements. Thus, I welcome the reader's criticism and opinion to improve this thesis.
