ACKNOWLEDGEMENT

I would like to express my prior gratitude to Allah SWT who helps me go through my years in UNAIR English Department and bless me in finishing this thesis. I also wish to express my thanks to the followings without whose help I would never be able to complete my thesis.

Mrs. Christinawati, my thesis advisor for her guidance and patience. Shanti and family for providing me with PC and Ninik for the notebook, you're my heroes being available when I need you. The very good friends of mine with whom I spend most of the time in English Department, Wili, Teti, Toni, Deddy, Layli, Devi, Ayu, Hwee Fa, Dian, for all the encouraging words. Mbak Titin (BC) for being a friend and councillor. Wien, for never having enough with my complications.

Mas Gunawan for the paper, Mas Deni for the fuss, Intan for disturbing my concentration, mbak Atiek for helping me with the chores. You're all special.

Thank you!

The writer.
