## ACKNOWLEDGMENT

*Alhamdulillah!* Finally, I can finish my thesis. This incredible and difficult job can be done because of Allah's blessing. Without him, I can do nothing and this thesis would not finish. I am grateful for each of his generosity. Birth, mate, death and destiny of each soul are in his authority. He is the lord of the universe. All praise are also sent to his latest messenger, Muhammad SAW, who tell me an eternal truth for a whole of my life.

A big grateful is also sent to my thesis advisor, Mrs. Sudijah. It is very difficult and hard to do this thesis but with your advice and suggestion, everything is directed and easy to be done. My high gratitude is also sent to all lecturers in English department especially Mr. Amir Fatah who is my academic advisor for four and half years.

I would like to dedicate this thesis to my big enemies, pals and lovers, Ibu and Bapak. Thank you for caring me for the rest of my life. Both of you always keep me , so, I do not cross the line and stay with me in my good and bad times. I am very blessed to be born as your daughter. To my little brother, Deby, I am proud to be your sister and thank you for being a shoulder to cry on. Mak Nem, thank you for your many cups of tea.

My huges and kisses are also sent to my friends in English Department 1999, 2000, 2001 especially Shanty, Vitri, Zulia, Maya, I'im, Rina, Mahrita, Wiwit. Thank you for being my friends and sharing many wonderful moments with me. I hope it will be last forever. I also want to say thank you for many supports that are given to me from my friends in Informatics ITS especially Elok, Dina, Meilina, Rike, Nidya, Rias, Shinta, Wahyu and all laboratory administrators. To my best friends, Ani and Merry, thank you for our friendship that have been tied together for ten years and entertain me when I am down. Both of you are awesome.

Last but not least, I dedicate this thesis to Mbah Uti. Mbah Uti, finally, I can be a scholar. You have already passed away but I keep your spirit in my mind. I promise.
