#### **Tourist Objects**

East Java has many tourist objects. They are very interesting. Many visitors come from foreign countries. We call them foreign tourists. They are from many countries such as Japan, America, England, Australia, and many others. There are also a lot of tourists come from many places in East Java. We call them domestic tourists. They usually want to enjoy the beauty of mountains, beaches, lakes, temples, and so on.

The famous tourist objects in East Java are Bromo mountain in Probolinggo, Selecta in Malang, Pasir Putih beach in Situbondo, Sarangan lake in Magetan, zoo in Surabaya, and many others. Visitors can buy souvenirs at those places.

### Bull Races

Madura island is famous for all bull-races or karapan sapi. The bulls run as fast as horses. The jockey stands on a wooden skid, fastened between two bulls.

Bull-races is a traditional game in Madura. The competition is held every year in Pamekasan. The winner get the President's Cup. Before the competition starts, the bulls are paraded down the streets.

Racing bulls are spoiled animals in Madura. The months before the competition, the owner gives medicinal herbs, eggs, and beer.

Other bull-races are in Bangkalan. The attractions are usually for foreign tourists. So, they are held every time when there is a group of tourists come to Madura.

#### *Write True or False :*
