ACKNOWLEDGEMENTS

At First, the writer would like to give her praises to the Almighty Allah SWT for the blessing. Thus, the writer can accomplish this thesis on time. The writer also would like to say the biggest gratitude for her lovely parents for their support during the process of doing this thesis. Certainly, the writer found a lot of problems and obstacles in doing her thesis. Therefore, this thesis would not have been finished without support from many peoples.

This thesis would never be accomplished without the help of her thesis advisor, Masitha A.S., S.S., M.Hum. Throughout her guidance and patience in giving advice and help, the writer could finish this thesis properly.

Many thanks also dedicated to the students of SMALB-B Karya Mulia Surabaya. Special thanks also dedicated to Totok and Nurhadi as the Teachers at SMALB Karya Mulia Surabaya who sincerely giving his time to guide the writer in the process of collecting data. The last but not least, the writer would say many thanks to her thesis partner, Winda Perwita, for the help in doing this research. The last, thanks to my beloved friends Martina, Handry Haryanto, Nita Suryawati, Afhy, and Cindy for their togetherness during this last semester.
