ACKNOWLEDGEMENTS

When people believe in miracle of prayer, the little things that changed after they talked with the Lord, is the form of a thing which they describe as a miracle. The miracle can be smile, rain, sun, laugh, and strength, etc. The strength is used to live the life. The strength, as one of the miracles of prayer, has been reached after I talked to the Lord. The small strength makes me able to finish one of my life journeys.

First of all, I would like to thank Allah SWT who always gives me all I need to live the life and to finish this thesis. Thank you for giving me miracle, like strength, patience, spirit, optimistic, family and friends who always be there to support me.
