## ACKNOWLEDGEMENT

All praises and gratitudes be to God almighty who has helped me accomplish this academic task.

I gratefully thank my advisor, Dra. Sudijah S.MA, who has patiently guided, kindly shared her ideas with me, and inexhaustedly helped me, so that I was able to finish my thesis.

I would like to express my gratitude to Dr. Rochayah. MA, who gave me an idea and useful guidance for writing this thesis.

I also wish to thank all the lecturers at the Airlangga University, who have given me all valuable knowledge throughout my study in the university.

My gratitude also goes to all people who have encouraged me, especially my family who always prays for me, my best friends, Zebra and mbak Hevvi whose substansial help really supported me in completing this thesis.

Finally, I want to thank someother friends whom I cannot mention by name, but whose merits in helping me finishing this thesis are really unforgettable value.
