ACKNOWLEDGEMENT

All the honour and glory belong to Allah SWT. who always guides and gives power to the writer in carrying out a study and in compiling a thesis dealing with Indonesian vocabulary building and the problem of its spelling and pronunciation. The writer hopefully summons that peace and prosperity be with His Great Prophet, Muhammad SAW.

The writer would like to thank many people who have helped him since the earliest steps of the study until the last steps of the writing of the thesis. First of all, and particularly, the writer is greatly indebted to Drs. Husein Shahab who has patiently guided, advised, and shared his ideas with the writer in compiling the thesis. Furthermore, the writer would also like to thank to Dra. Sudijah S, M.A, Dra. Mrs. Soemarto D, M.Ed, and Dra. Ismari Suwono who have supported him very much.

To Mr. Soegiharto's family who have also sincerely helped the writer, especially for the lending of their typewriter, he could say nothing better than many special thanks. Last but not least, the writer is also deeply indebted to his family and his friends for their endless supports and prayers.
