## ACKNOWLEDGEMENT

Alhamdulillah Robbil ‘Aalamiin. Finally, I finished this thesis. It is hard to believe that I could finish this. It has been difficult, challenging and truly emotional. First, I would definitely thanks to Allah S.W.T who blessing, giving me strength, faith and hope to experience this wonderful thing, and the guidance that convinced me that I can do my best even I often lost in writing and I do not know what should I do. It has been a great and precious experience for me.

I would dedicate my deepest gratitude for my best advisor Diah Ariani Arimbi, Ph. D, for her time, suggestions, opinions, knowledge, spirit and patience that help and inspire me in my thesis writing process. It seems like an illumination in the darkness. I also would like to give my appreciation for all English Department lecturers for the teaching and knowledge.

The next gratitude is addressed to my family. My dearest parents, who always support, help and give me their endless loves which awaken my spirit, especially when I was down. For my sister, Yana, who always supports and relieves me in any circumstances. Keluarga Ngagel, thank you for the helps, laughs and loves. To my lovely friends: Yoanita, Ajeng, Nimas, Evy, Reni, and Lilik. Thank you so much for your love, care, help, support, understanding and shoulders to crying on. Thanks for the laughs, hugs, spirits and the silly things that make me feel more alive when I am with you, girls. It seems like no difficulties when I am gathering with you. My life seems like a very simple thing. From my deepest heart, I am really thankful to have

you all and for this togetherness. Thank you for some friends who give spirit and help me in this thesis progress: Amedea, Inggit, Ratih, Resty, Rika, Jordine, Rizqi, Mbak Dahlia and Mbak Rysa. Extraordinary09 for the unforgettable moment in produced a movie for film studies. All of my English Department friends years of 2009, thank you for the cooperation. The Writer

*I wanted a perfect ending.  
Now, I've learned, the hard  
way, that some poems don't  
rhyme, and some stories  
don't have a clear  
beginning, middle, and end.  
Life is about not knowing,  
having to change, taking the  
moment and making the  
best of it, without knowing  
what's going to happen  
next. Delicious Ambiguity.*
