## **ACKNOWLEDGEMENTS**

It is not easy to finish something that we have to do on the right time. It is a great thing that I might thank to Allah S.W.T, for all the strength and spirit that is given to me in finishing this hard work. I also thank to my parents who have kept patience in raising me until what I am to be now. Reesa Akbar, S.T. who has given me a great spirit.

My thank also goes to all my lecturers in the English Department whose knowledge and attention have led and guided me as a student as well as an individual, especially to my academic advisor Drs. Sumitro. Thanks to Lina Puryanti, S.S. and Dra. Christinawati, for all good advices for me. Most of all, a special thanks to my thesis advisor Dra. S. Itafarida, M.Hum, for all her patience and understanding so I can finish this thesis.

I hope this thesis could be useful, as I hope when I arrange it as I am aware that violence and sexual abuse could happen everywhere. I would be glad to receive any critics from the readers for the improvement of this thesis quality.
