ACKNOWLEDGEMENTS

Alhamdulillahirobbilalamin! Firstly, the writer thanks to Allah SWT because she is able to complete this thesis on time. The writer also thanks gratefully because of Allah's blessing and gift that make the writer's life full of miracle and advantages everyday.

Secondly, the writer would like to express her gratitude to Viqi Ardaniah, M.A. Linguistics who is her thesis advisor. The writer is very lucky to get her support, guidance, and advice during writing this thesis until the end. Her brilliant ideas and her input have helped the writer to think critically and creatively as a tremendous lecturer in this present. Thanks also to all lecturers and staffs of English Department Airlangga University who have given and shared their knowledge and experiences to the writer.

Thirdly, the writer also would like to express her great gratitude to her beloved parents for always being beside the writer in a far distance, giving her love and attention, and also praying for her every single day without getting tired. The writer also really thanks to her sister, Nurina Fitriani, S.T, who always supports the writer to finish this thesis. The writer will not forget to her lovely niece, Fitria Zahra Allya Nisa, who always gives her a spirit everyday.

The last, thanks fully for all friends of English Department 2009 and 2010 for bringing happiness and sadness together and the writer appreciates the alumni of English Department who also give their experiences, knowledge, advices, and stories that make her always smile and make her always survive until this thesis is finished completely.
