ACKNOWLEDGEMENTS

First of all, I would like to say *alhamdulillahirobbil'alamiin*. All praises solely go to Alloh SWT who has given me lights and strength in passing this life. Sholawat and praises also go to his messenger, Muhammad Saw and his relatives, peace and blessings are always above them.

My great appreciation particularly goes to Mrs. Dra. Sudijah, M.A as my thesis advisor. Her patience and advices in guiding me to do this thesis are truly big favours for me, though she is extremely busy.

I would also like to give my appreciation to Drs. Jurianto, M.Ed who has patiently spent his time to be my academic advisor during my study. I also wish to say thank you for all the lectures of Faculty of Letters, Airlangga University, precisely those at the English Department who have shared their valuable knowledge.

My deepest gratitude goes to my father and my late mother. Thank you so much for letting me taste these all. Mom... these words would never be enough to express my love for you. You are the greatest love I always have. Thank you so much for raising me well, educating me to be patient and showering me with your love. You will always be in my prayers, in my heart and in all my steps. I know that you will always be right there for me. To my late uncle, this is what I have promised to you. To my aunty, thank you for replacing my mom's guidance when she could not do this again and for colouring my mind with your wise words.

To my older brothers and sisters, thank you for loving, spoiling and treating me in beautiful and lovely ways. I do not know how to face these all without you. For my twin, Diana, thank you for giving me spirit to do this, for always accompanying me to pass my greatest and worst storms and for always being there whenever I need a hold. To my niece and nephew, Ica and Rema, thank you for cheering up my life. To my late niece, Dhani, this is solely for you.

I would also like to express my gratitude to my best friends, Tulus and Ibnul for your great advices and hands which are always ready to assist me and for always being my best listeners. You really mature the way I think and teach me to think and thank. To Syauqi, thank you for everything you have sacrificed for me. To Arif, thank you for the time you have spent for me. Your stories and laughs truly enlighten my world.

I wish to thank Luluk, Icha, Dinda and Lesly for the tears and laughs we have spent together. Your companion really means a lot to me. To Adi, for being there for me in my best and worst time. To Sophie, thank you so much for your grateful and helpful pictures. To Avy, thank you for always encouraging me to have my own faith and showing me what life is. To M. Fenni, I know what a truly friend means from you. To Andri B, thank you for sharing me your uncountable knowledge. And also to Desi, Icha, Ratna, Nana, Ully, Mila, Wini, Tya, Emma, Rosa, Imel, Susi, Dita and all my friends in the class of 97 for being my place to learn and understand others.

I must say a special thank to the students of product design engineering of the 10 November Institute of Engineering Surabaya for being so welcome and

cooperative. To my junior sisters and brothers, Salima, Ilil, Retno, Kiki, Rien, Arum and Herman for your charming smiles.

To my brothers and sisters in SKI (Sie Kerohanian Islam) Faculty of Letters, thank you for letting me know another side of this world. To my brothers and sisters in HMI Komisariat FISIP-Sastra, especially to Agus, thank you for the chance to get involved with you.

To my colleagues at LIBMI Mojokerto, thanks for giving me this opportunity. To Dik Ida, Risma and all the personnel of Violet as the server and expert of the computer, thank you for your help and laughs.

Last but not least, I would like to say thank you to all my friends at Dharmawangsa Barat I/2, thanks for sharing me laughs and entertaining me when I feel down. To Anik, my roommate, for giving me spirit and being my place to talk everything and also to Andri and Riska, thank you for waking me up. Your stories truly teach me a lot. From both of you I know that this world is colourful.
