## ACKNOWLEDGMENTS

Bismillahirrohmanirrohiim,

My biggest thanks to Allah S.W.T who always gives me strength when I am down, when I lose hope. But now I know, You would not let me fall.

I want to present this thesis for my family. Thank you for being there in every ups and downs.

Thank you for Pak Endi as my thesis advisor and all of the lectures in English Department.

Also thank you very much for my closest friends who always supports me when I am weak; Sheila, Ariesta, Ica, Inka, Bania, and for the names I can't mention.

Special thanks to Ditya, you help me like a lot.

I also present this for **my self**, the weakest person I have ever known some times ago. Look, you can prove it now! 😊

Thank you...
