ACKNOWLEDGEMENT

First of all, I would worship The Almighty God, for His blessing have given me strength and spirit to finish my thesis. Above all reasons, I should thank to God because He is the cause of my being.

Special acknowledgement goes to Dra. Christinawati as my thesis advisor, who guides me in finishing the thesis, wisely pointing out the weaknesses and recommending improvements. Acknowledgement is also due to all my lectures in The English Department of Airlangga University.

I am most grateful to my parents, sister, brother-in-law and my nephews Fawzy and Rama, for loving, caring and supporting, so that I am able to finish my study.

My thanks also go to my best friend, Titik, who always understand me, Maya, Fitry, Ariesta, Esti, Ambang, Tatang and all students of '94. My thanks also go to Mbak Novi, Ambar, for being a good friend, Mbak Arie and all my friends in Gubeng Airlangga I/2B, thank you for the happiest time you gave to me. Special thanks for Arie Wibowo, you are my inspiration.

Due to my limited knowledge, this thesis is not perfect, in fact, it needs a great deal of improvements. I would certainly wellcome all the readers' comments, critique, or suggestion to provide improvements.
