ACKNOWLEDGEMENTS

First of all the writer wants to thank God for the completion of this thesis. This thesis entitled "Language Choice between Javanese and Indonesian Used by Children and Their Parents in Middle Class-Madiun Families" can be finished on time although there are some problems that must be faced by the writer. This thesis is submitted as partial fulfillment of the requirements for the Sarjana degree of the English Departement, Faculty of Social and Political Sciences - Airlangga University.

In writing this thesis the writer has been helped by a number of people. This time the writer wants to thank them for their kindness :

1. The writer adressed her gratitude to Dra. Anna Dewanti who has given a lot of information and adviced her in accomplishing this thesis.
2. The writer also wants to thank Drs. Jurianto that has encouraged her to finish her thesis.
3. A great appreciation are dedicated to Dr. Rochayah, M.A. and Drs. Harlawan Adji that also have given a lot of information and suggestion that are so useful for the writer.

4. The writer also wants to thank her parents that have given a big support in order that the writer can finish her thesis in this semester.
5. Finally the writer's thanks are addressed to Tina, Ana and Dina as her close friends that also encouraged her in finishing this thesis.

Basically the writer realizes that this thesis is far from being perfect so that the writer will accept any suggestion and criticism from the readers in order to make this thesis better. Finally, the writer hopes that this thesis will be useful for all of the readers that are interested in the topic the writer analyzed.
