ACKNOWLEDGMENT

First of all, praise instingtingly for Allah Subhanahu Wa Ta'ala and pray Salam and Sholawat for His greatest Prophet Rasulullah Muhammad SAW.

During the time of research and writing, I have been generously assisted by a number of persons. My largest debt is to Ms Dra. S. E, Widjayanti, MS. for all her time, patience, guidance and encouragement in helping me finishing this thesis.

I wish to express my gratitude to my beloved parents for their enourmous love and affection, encouragement, and trust until I finish my study. How lucky I am having you as my parents. My eternal love is attended to my beloved brothers Oo', Andy and Hari, and also to my aunt and uncle, mbak Ami and Lek Mar. Thanks for being very supportive during my difficult time.

It is a pleasure to be able to express my appreciation to all my lecturers who have taught me during my study in English Department.

Thank you so much for Airlangga University and PPIA librarians who really assist me in doing this thesis. Then, I am indebted to all my friends in English Departement, especially Cici & Co for all her

kindness and becomes my "second advisor", Mamiek for her books, Sony Karsono, my partner in debate, Nia for her mental spirit, IAO's crew for their understanding and spirit. It is also expressed to the big family of Jl. Sumatera 36 A Surabaya that has given me a lot of support in finishing this thesis and more than that has taught me what the life is. All of you are the best friends that Allah ever gives to me.
