## ACKNOWLEDGMENT

Primarily, I would like to thank Allah SWT, who makes all things possible. Alhamdulillah I can finish my thesis through the hard days. Without Him I am nothing. Without His Blessing I have no strength in performing this life.

I am grateful to Ibu Sumarto, my thesis advisor, for her time and patience in guidance and directing me to work out this thesis. I would like to thank to all the lecturers of the English Department, especially to Ibu Christinawati, Ibu Widjajati, and Bapak Sumitro, for teaching and giving me the valuable knowledge and science I need.

I am deeply grateful to my beloved father, *Bapak*, for teaching me wisely about life; to my *Ma* and *Pa* for raising me in a great-patience; and to my late mothers, *Ibu* and *Ibu*, for watching me from Heaven. Million thanks to *mas Wayan*, *mas Fefit*, and *mas Teik* for being good brothers, for giving me nice 'sisters' (mbak Fia, mbak Anna, and mbak Ani), for giving me two cute nephews (Afif and Ory) and one beautiful niece (Audi), and for supporting me in spiritual and, especially, material needs. I send all my love to you. I would like to thank Bude and Pakde for giving me a shelter from the rain and the heat of the sun while I'm far away from home. Thanks to mbak Lala for sharing the room and being my roommate.

Mely, Era, Dian, Fira, Ratih, and Irma, thank you for the craziness and the traveling we've ever done in those years (I'll never forget you, girls !!). Galuh Erfara Meilyani, thank you very much for being my 'twin' sister, for sharing the sadness and

the happiness, and for being my very best friend. Erawardhani Krisnayanti, thank you for being a good listener of my love-problem and being my best friend. Together with Dian Primita, we are the coolest Three-Nine have ever been !!! Huri, thank you for helping me with the computer. Mayang, Ima, Na Wek, Rere, Dondon, and all of the EDUA-ers, thank you for the friendships, the laughter, and the jokes we've ever made. Many thanks to the 'mbathi' people in Ringinanom for the most unforgettable KKN moment (can we do it again, guys ?).

Special for someone somewhere, I thank you for being my 'brother' since our high school. Though you never keep me in your heart, I'll always keep you in mine. For someone beyond my reach, thanks for making me realize that life and love are complicated things. Thanks to PB, the 'Robinson Crusoe', for your movie had given me idea to analyze the novel for my thesis. At last, thanks to everyone who supports and helps me in working out this thesis because without them I can't finish it.

Finally, I realize that this thesis is far from perfection. I will accept every criticism and suggestion that may help to make this thesis comes into better content and shape, and I will be grateful for that.
