ACKNOWLEDGEMENT

Above all, I would like to express my most gratitude to Allah SWT, for I believe nothing I can do without His bless.

I will always be grateful to her thesis advisor, Dra. Sumarto Danusugondho, M. Ed., who has given a lot of contributions and suggestions throughout the completion of his thesis. To her who has given me her useful guidance and kindness. I would like never could finish my thesis. I am also much indebted to all of the lecturers of the English Department, Airlangga University.

I wish to thank my beloved mother for her care and pray for my success. Mom, you are my strength! Big thanks to Vivi and Ony, for their support during the completion of my thesis, also to Bedy for his best idea, and Nugroho, for his willingness in sharing view, comment and suggestion. For Hany, the best companion, through the rough time in completing this thesis.

I realize that this thesis is still far from being perfect and satisfactory. Therefore, I will accept and appreciate any constructive suggestions and criticism which are given to this thesis.
