ACKNOWLEDGEMENT

All praises and gratitude be to God Almighty who has helped me to accomplish this academic task.

I have been greatly assisted by and have learned much from Drs. Jurianto. He has kindly made time for advising and assisting me for difficulties I met in accomplishing this thesis. My gratitude is also expressed to Drs. Hariawan Adji, S.T. who offered useful suggestions for the completeness of this thesis.

I am also indebted to all lecturers of Social and Political Sciences Faculty, Airlangga University, especially of the English Department who have guided me during the academic years. A special appreciation should be expressed for the generous and contribution given by administrative staff members of the faculty who have provided me with the necessary materials and valuable informations for the research.

I acknowledge with thanks to others who encouraged me to undertake and pursue this study. I count among those who provided this encouragement some who are my friends who has given me dirrections to my work : the FIRM for giving me the motivation, Ima for helping me in doing the research, Dondon and Fira for lending me the tape recorders, and the others who contributed to the completion of this task.

Special thanks are due to my beloved family for helping me keep up the pace. My parents, brother and sister provided me both motives and means for completing this thesis. Arie, my very special boyfriend, gave support through the difficult moments of research and writing.

I confess honestly that this work is far from perfect and therefore all constructive criticisms on this thesis should be highly appreciated.
