ACKNOWLEDGMENT

First of all I would like to thank The Supreme God's blessing that enables me to complete my task in time. Besides, I also gladly say Alhamdulillah since I have successfully fulfilled my obligation as a student to write down a thesis which is also a requirement to obtain my degree in linguistic field.

I would like to express my gratitude to my thesis advisor, Dra. Ismari Suwono, who has guided in the finishing this thesis, also to my academic advisor, Drs. Djurianto who has guided me for five years. Besides, I would like to give my best regard to all my friends and lectures in English Department, my friends in Ekanita Camp' and Mr. T and com, for their moral support and helping that enables me to complete my work.

I also thank to my informants for providing information and data, and to everyone who has helped me to finish my thesis.

Further, I would like to thank Kak Iyan who has indirectly (but great effected) motivated me finishing this thesis.

In addition I am grateful to my beloved family for all facilities, love and support they provide that enables me to obtain my degree in linguistic study. May

God always bless and love them.

Aamiin
