ACKNOWLEDGEMENT

Writing this thesis is surely a life changing experience to me. I discover so many things about myself that I am capable of doing or feeling. From where I am now, I can gladly say that it is over and I cherish every moment I had gone through. First of all, I would like to say my greatest gratitude to Allah S.W.T., my Lord for giving me faith in every breath I take including in the process of finishing my thesis.

This thesis will never accomplish without the help of my advisor, Dewi Meyrasyawati, S.S,MA. Thank you for your tremendous aid and advice. Thank you for making me critical toward anything. I would like to thank the rest of English Department lecturers of Airlangga University for their guidance and knowledge for all these times.

The next greatest admiration is to my parents, Dwi Priyono and Sri Utami Ningtyas without them this thesis will only be a piece of boring work, instead of meaningful experience. I also want to give my appreciation to my brother, Sali and for all my best friends Leley, Rizky, Nene, Dhana, Iqbal, Rere, Gek, who always give faith to me and also student in English Department class of 2006, thanks for supporting me all this time.
