## ACKNOWLEDGEMENT

All praise is due to Allah SWT. I would like to say Alhamdulillah and deliver my deepest gratitude to Allah SWT for His Almighty power, which has strengthened my soul during the completion of my thesis. Only to Him I surrender all the obstacles and the hardship of life.

I would also like to address a respectful acknowledgement to my thesis advisor, Ibu Itafarida for her patience and encouragement in conducting the composition of my thesis. I am highly grateful to all lecturers of English Department who have sincerely made literature become reachable within my sense.

My gratitude also goes to my parents, my brother, Mas Egi, thanks for supporting me, to my dearest little sister Ellen, thanks for your laughter. I am also honorably grateful to Bapak, Ibu and Mbak Wati for your affection and kindness.

I would like to address all my best friends, lin, Lucky, Yeny, and Yani (how are you doing, pal?) thank you for the stories we used to share, for your advice, and your earnest support when I was down in the dumps. And to all my friends, '94 students and others who I cannot mention by names, nonetheless have abundantly helped me finish my study, thank you for everything.

At last but not least, I would like to say my sincere gratitude to my beloved husband, Mas Wahyu for the encouragement you have remarkably given to me, for your trust, but prominently, for your being handsomely on my way in happiness and pain forever.
