happiness, sadness, cheers and etc. A best partner who is always be available when I need him to share my problems, my hopes, and my dreams. I am indebted to my comrade partners, Evy Nur Laila, Lilik Niryanah, Yudha Yuswara, Bimo Herdianto and M. Romdon Asyari. I address my compliment to all my 2K9 friends who cannot mention one by one. I believe our knowledge will give many functions for our life. Thank you for everything.

The last I dedicate my gratitude to all the staff of PT. KAI, especially Malang Railways Station, for giving me permission and flexible time to finish this thesis. Thank you very much to Karina Puji, Sony Cahyo, and Gita Sandra, I am so lucky to know you guys.

Finally, I truly realized that this thesis is still far from perfect. Therefore, I will appreciate for constructive criticism and suggestion from the readers. I hope this study can give valuable contribution to the Linguistics field.
