ACKNOWLEDGEMENTS

All praise to be the Almighty, the Great beyond, Allah SWT for His Grace and Blessing so that I can finish my thesis.

I owe an enormous debt of gratitude to Dra. Lilla Musyahda M.Pd. whose valuable guidance, patience, and understanding help me in finishing my thesis. Her willingness to give a thesis assistantship in the course of her full and tight schedule was the impetus for me to write this thesis.

Another major debt is to all the lecturers of the English Department, Faculty of Letters Airlangga University. I must say a special thank to Edy Dwi R, S.S, M. Hum for being my academic counselor.

I wish also express my gratitude to the headmaster of SMA Nahdlatul Ulama I Gresik, for allowing me to conduct the research to his school, and also the students of 10B class for their participation.

My greatest appreciation would be to my parents, Ayahanda Zainuddin and Ibunda Netty, for giving me a strong upbringing and guiding me in the right direction all the time. You are the most amazing parents anyone could ever know. I can never thank you enough. I am so lucky to have you. For my sister, Riza thank for just being there. You are the best looking sister anyone could ever have.

To Zavitri, thank for giving me a great support and help in doing my thesis. I will never forget that. To Shanty, thank for all your advice. To Lala, thank for being remaining such good friend. To Wiwid, thank for our

togetherness. To him, thank for giving me a helping hand, thanks so much. To all of the EDSA '00 students, thank for being such nice friends, all the help, pray, and support.

I hope this study can give a meaningful contribution to students who are interested in this study. I'll be grateful to accept and appreciate encouraging suggestions and critique.
