ACKNOWLEDGEMENTS

First and foremost, I praise Allah SWT the Almighty and Muhammad SAW who is esteemed by people all over the world. Without your dazzling guidance, I would never be able to finish this thesis.

My true gratitude goes to Mr. Husein Shahab who has been very helpful and patiently directing me to the better ways I had never known during my academic years. I have always loved to listen to your wise experience and knowledge. I respect you as my own father.

In this occasion, I would like to express my sincere gratitude to PT. INDONESIA EPSON INDUSTRY for trusting me and giving me a chance to accept “Epson Scholarship Program 2002”.

I also send my thankfulness to all English Department lecturers and staffs of Airlangga University especially my academic advisor Ms. Christinawati.

I would like to thank my both parents Ayah Bambang Djoehari and Ibu Tatik Ningsih for their enormous and everlasting love, care and support. I Love you both for always!

My next deepest gratefulness will be for my present and future partner Efendi Maryono for always being my endless source of inspiration and love. I thank you for your priceless sacrifice to me. I know that you are my serendipity. Get better soon because I'll be waiting.

Then let me thank to the rest of my family, my two beloved sisters Mbak Ning and Dik Ayas– I love having you both as my prettiest sisters in my life, my brother in law Mas Udin who is always ready to fix my computer anytime for free and my sweet little nephew Ferdi who gets cleverer each day. Also, I can never forget my late grandmother's merit for shaping me into what I am now.

To Arum, Enok, Ilil, Kiki and Salimah, we have been together through happiness and sadness. I hope our friendship will never end. Please don't think that the names order that I mention indicates the degree of my affection to you. You all girls have already occupied the same place in my heart.

To Mbak: Uli, Ratna, Festya, Dinda, Desi, Adi, Veny, Leslie, Icha and all seniors in 97 class. Thank you for being nice sisters. For my pals on examination days: Ayu Saulina, Grace and Herman, I thank you for sharing everything with me. I also send my warm greeting to all my KKN friends, especially: Mbak: Indri, Yeni (FE Exs), Mamiiek (FKH), Puspa (FE), Pritha and Yvonne (FKG), Cinta (FISIP), Mas Andie Hermawan (FH), Syafrudin and Syamsul (FMIPA) and Fauzi (FPsi). You are all part of me, thank you for being pleasant companions. Last but certainly not least, I would like to thank my rest peer friends in '98 class of English Department. Thank you for sharing the warmth and laughter with me.
