Dear Soebagijo Adi

Robert Dwitama Adiwino has submitted this manuscript:

The performance of lipid profiles and ratios as a predictor of arterial stiffness measured by brachial-ankle pulse wave velocity in type 2 diabetic patients

Soebagijo Adi Soelistijo *et al.* with Soebagijo Adi Soelistijo, Robert Dwitama Adiwino as the corresponding author(s).

Funders: no grant funding was stated during submission.

Before accepting the article: we will check content suitability, readability and manuscript format; adherence to ethical standards for the type of study; that the underlying data have been supplied (where appropriate); and that there is sufficient detail to enable others to replicate the study (if applicable).

Before publishing the article: if we accept the article, we will be in touch with Robert Dwitama Adiwino as soon as possible with any issues that need addressing and ask them for reviewer suggestions. They will then receive a final proof of the article for approval, prior to publication. At that stage, the peer review process will begin, in accordance with our [publishing model](#).

After publication: to ensure you receive proper recognition for your professional activities, you can connect your **ORCID iD** to F1000Research so that all your F1000Research work is added to your account automatically once it is published. Details on how to do this will be sent in an email when the article is published.

All future correspondence about this submission will be sent to Robert Dwitama Adiwino only. If you have not agreed to this submission and your inclusion as an author of this article, please contact us immediately quoting the article number: 128627.

Kind regards

The F1000Research Team

Press releasing articles: Please avoid promoting articles in the media until the article has passed the [open peer review process](#). Promotion on social media is encouraged once the article has been published; please ensure the full citation is included, as this contains the peer review status. F1000Research should be cited as the source of these articles with a link to the article.

Dear Soebagijo Adi

Robert Dwitama Adiwino has submitted a new version of this article:

The performance of lipid profiles and ratios as a predictor of arterial stiffness measured by brachial-ankle pulse wave velocity in type 2 diabetic patientsSoebagijo Adi Soelistijo *et al.* with Soebagijo Adi Soelistijo, Robert Dwitama Adiwino as the corresponding author(s).

We will check the submission to make sure we have all the files and information we need and will be in touch with Robert Dwitama Adiwino in the next two to three working days. They will receive a final proof of the article for approval, prior to publication. At that point, we usually contact the reviewers who reviewed the previous version of the article for any further comments or changes to the status they originally awarded your article.

All future correspondence about this submission will be sent to Robert Dwitama Adiwino only. If you have not agreed to this submission and your inclusion as an author of this article, please contact us immediately quoting the article number: 128627.

Kind regards

The F1000Research Team
