The following message is being delivered on behalf of Acta Medica Indonesiana - The Indonesian Journal of Internal Medicine

Soebagijo Adi Sulistijo:

Thank you for submitting the manuscript, "Early recognition of type 2 diabetes complications and use of SGLT2i in multidisciplinary approach: Indonesian perspective – an expert opinion" to Acta Medica Indonesiana. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL:

<http://www.actamedindones.org/index.php/ijim/author/submission/2143>

Username: soebagijo

If you forget or do not know your password, you can contact us by email or use the link to reset your password (which will then be emailed to you along with your username).

<http://www.actamedindones.org/index.php/ijim/login/lostPassword>

For your information, the first selection process is an initial check of the minimum submission criteria. Then, your manuscript will be reviewed by the Acta Medica Indonesiana Selection Team Board. Please allow for a minimum period of 10-12 months for the review process to be completed. We will inform you about the outcome of the review shortly after the evaluation process has completed.

Thank you for considering this journal as a venue for your work.

Regards,

Sudariandini Sudarto

The following message is being delivered on behalf of Acta Medica
Indonesiana - The Indonesian Journal of Internal Medicine

Dr. dr. Dyah Purnamasari:

I have completed proofreading the galleys for my manuscript, "Early Recognition of Type 2 Diabetes Complications and Use of SGLT2i in Multidisciplinary Approach: Indonesian Perspective - An Expert Opinion," for Acta Medica Indonesiana. The galleys are now ready to have any final corrections made by the Proofreader and Layout Editor.
