Final Assessment bersama DPL: dr. Farid Dimiyati Lusno, M.KL.

A screenshot of a Zoom meeting showing a performance assessment report. The report is displayed in the center of the screen, with a video thumbnail of Cigi Yemanga on the left. The report title is "Final Assessment - Cigi Yemanga Dewanti Sewarti,ang". The report content includes:

- Problem Solving** (90 points): Better than before. More able to solve problems with analytical and critical thinking. As example, are able to arrange action plan for findings on inspection.
- HSE Research & Development** (90 points): Have the ability to do more research and development in many chances and duties, such as adjusting and brought hot topic in society to HSE promotion (jeels, bulletin, friday facts / socialization).
- HSE Training & HSE Reporting** (90 points): Skill of being a trainer are improved, training are not so boring as before. Also did arrange the report well even sometimes did a minor simple mistakes.
- Presentation Skill** (100 points): Are improved in presenting progress presentation, inspection-report and findings, also presenting training materials. Beside that, Cigi also did a great job at arranging presentation materials.
- Health, Safety, and Environment Monitoring & Analysis** (90 points): Did monitoring and analysis better. Such as monitoring TAB, FE, Emergency Equipment, and analysis the safety equipment recommendation for IC based on real incident.
- HSE Risk Assessment** (90 points): Are improved due to trained by chances, and there's less input and revision from mentor. Examples by doing risk scoring every inspection.
- HSE Campaign & Socialization** (100 points): Cigi has overcome the result more than expected before. Did much good work in design for HSE socialization and designing signages and stuffs.

The **Total Score** is 650 points. There is a section for **Overall Comments (Optional)** with the following text: "Overall, Cigi has improved in every aspects and competencies. Cigi took notes and learnt from the mistakes she made before. Much chances, trials, and errors have taught Cigi to do better in every occasion she got, when there's another chance or more time provided to her, she will give her best performance to HSE lazada Logistics." The Zoom control bar at the bottom shows the meeting is titled "Final Assessment - Cigi Yemanga Dewanti Sewarti,ang" and includes icons for Unmute, Stop Video, Security, Participants (4), Share Screen, Start Summary, AI Companion, Reactions, Apps, Whiteboards, Notes, and an End button.
