Dear Mr. Yan SEMBIRING,

I am pleased to inform you that your manuscript entitled

**ENHANCED RECOVERY AFTER SURGERY (ERAS) AFTER VASCULAR SURGERY: Systematic Review**

received by the editorial office of Italian Journal of Vascular and Endovascular Surgery and registered under no. Ital J Vasc Endovasc Surg-1603 has been accepted for publication as Review Article.

Before preparation of the proofs, the manuscript will undergo copy-editing to align it with the journal's editorial standards. You will be contacted by the editorial staff should any questions arise.

From now on, any request for substantial changes in content (changes of title and authorship, new results and corrected values, changes in figures and tables) will be subject to a completely new peer-review process.

We wish to remind you that Italian Journal of Vascular and Endovascular Surgery is a hybrid journal and Minerva Medica offers authors the option either to publish the article open access or to follow the traditional subscription-based route.

In the first case your manuscript will be freely available online upon publication to anyone anywhere. Authors will retain copyright and will be asked to sign a License Agreement. Minerva Medica will distribute the article under a Creative Commons Attribution Non-Commercial License (CC BY-NC) which allows users to read, download and share the work as long as it is properly referenced and the use is not commercial. Authors will be asked to pay an Article Processing Charge (APC) which may be borne by the organization (the author's affiliated institution or a funding body) which supported the research the article refers to and requests its open access publication. Authors can publish under the Creative Commons Attribution License (CC BY) if required by their funder.

If authors opt for the traditional subscription-based route the manuscript will be made available to institutions and individuals who purchased a subscription or paid to read specific articles. Authors will be asked to sign a Copyright Transfer Agreement. Publication of the manuscript is free of charge.

We look forward to receiving the decision from the corresponding author.

Thank you for considering the journal Italian Journal of Vascular and Endovascular Surgery for publication of your paper.

Sincerely,

Prof. Alberto Oliaro  
Managing Editor

Dear Mr. Yan SEMBIRING,

We inform you that the proofs of your paper entitled:

"Enhanced recovery after surgery after vascular surgery"

accepted for publication in Italian Journal of Vascular and Endovascular Surgery are now available online for the corresponding author at [www.minervamedicaonlinesubmission.it](http://www.minervamedicaonlinesubmission.it).

Proof corrections should be limited to typographical errors. Excessive alterations to proofs will be charged to the authors. Substantial changes in content (changes of title and authorship, new results and corrected values) will be subject to a new complete peer review process. Changes that do not conform to the journal's style will not be accepted.

Proof corrections and the payment form should be returned within 3 days.

Thanking you very much indeed for your cooperation, we send you our very best regards.
