COMMENTS:

To begin with, this manuscript is acceptable based on the Turnitin plagiarism check. In addition, in order to improve the readability of the paper by an English editing service as various sentences are mistyping.

Furthermore, the paper is easy to follow by the reader. However, I may require some comments on the following issues.

Title: The title is good.

Abstract: This section was well-written and easy to understand.

Introduction: Adequate.

Material and Methods: Okay

Results: Good
