Dear Citrawati

The role of genetic factors in microtia: A systematic review  
Putri IL, Stephanie A, Pramanasari R, Kon M and Wungu CDK

We have now accepted your article for publication in F1000Research. It will be sent to the typesetters and a member of the Production team will send you a proof in due course.

As we have not heard back from you regarding the details about who is responsible for the APC payment for this article, we have defaulted to your details as the submitting author. If this is not correct please contact our [Accounts department](#).

Please note that your article will only be published once you have suggested 5 suitable reviewers who meet our reviewer criteria. Please do not contact your suggested reviewers, as this has the potential to influence and invalidate their review. Our editorial team will contact any suitable reviewers on your behalf, and will be your main contact once your article has been published.

As you know, F1000Research operates an author-driven publication model. This means that you are responsible for suggesting suitable reviewers, giving you an opportunity to ensure that appropriate experts review your article. Please go to your Suggest Reviewers page, where you will find a useful tool to help you find reviewers; use this page to track the progress of the peer review process for your article. You can access this page directly via the article's record under [My Research >>Submissions](#).

Best wishes,

Jasmine
