Dear Dr Dr. INDRI Putri,

Tzu Chi Medical Journal has received your manuscript entitled "A Meta-Analysis of Alveolar Bone Grafting Using Bone Substitutes in Cleft Lip and Palate Patients " for consideration for publication. The reference number for this manuscript is "tcmj_125_23". Kindly quote this in future correspondences related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to ONE journal at a time and has NOT been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in a part.

Online submission of this article implies that the corresponding author has written consent from all the contributors to act as the corresponding author.

The co-authors are requested to send their agreement response on the **Digital Copyright** sent via a link to their associated emails, within 1 week of submission. The status can be viewed in the 'Manuscript Information page' from the submitting author's area. The decision about the manuscript will be conveyed only on receipt of the agreement on copyright form received from all contributors.

High-resolution images are required at the time of acceptance, you should be notified separately for the same if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system.

During this process, you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://review.jow.medknow.com/tcmj>.

We thank you for submitting your valuable work to the Tzu Chi Medical Journal.

Yours sincerely,

Editorial Team

Tzu Chi Medical Journal

Dear Dr Putri,

With reference to your manuscript tcmj_125_23 entitled A Meta-Analysis of Alveolar Bone Grafting Using Bone Substitutes in Cleft Lip and Palate Patients , please review the comments of the referees from our site <https://review.jow.medknow.com/tcmj>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made.

Do check the FAQ regarding replying to the comments and uploading a file. The template of point-by-point comments files for the reviewers, is available in your dashboard under the 'Downloads' menu option.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that the submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Tzu Chi Medical Journal.

With warm personal regards,

Editorial Team
