ACKNOWLEDGEMENT

Astungkara. I would like to say Astungkara. All the praises and thanks are addressed to Ida Sang Hyang Widhi for His guidance and blessing given to me in the process of conducting and completing this thesis. Without Hyang Widhi Wasa, I would not finish this thesis on time.

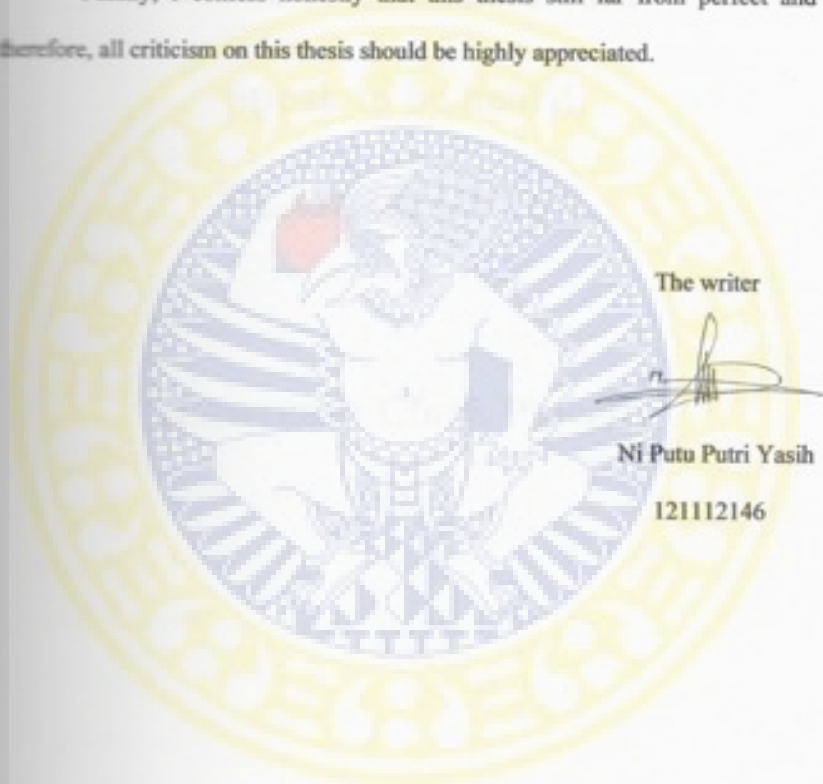

First and foremost, I have to thank my thesis advisor, Mrs. Salimah, M. Ed. Without her assistance and dedicated involvement in every step throughout the process, this thesis would have never been accomplished. I would like to thank you very much for your support.

Most importantly, none of this could have happened without my family. My deepest gratitude and love are addressed to my mother, who supported me and advised me to remember to pray. She is my inspiration. And, my father who gave me motivation. Thank you my parents for supporting me mentally and physically. Then, I would like to thank to my special one, Mas Yano. Thank you for your never ending love to give me special support.

Next, I would like to show my gratitude for all of my friends in English Department Universitas Airlangga Surabaya, especially academic year 2011, thanks for all togetherness. Because of all of you, I understand the meaning of “EDSA is our home”. Thank you very much, Angie as my proofreader, Mbak Prita, Septiani Remilda, Sari Fitriani, Rantika Riska, Aulia, Kacita, Enita, and my other friends.

Thank you for my Aerobic, Yoga, BL, and Line Dance members who also supported and gave me enthusiasm to finish my thesis. And, thank to other more parties that I can't mention one by one. Thank you for giving me motivation and support. I am nothing without all of you.

Finally, I confess honestly that this thesis still far from perfect and therefore, all criticism on this thesis should be highly appreciated.
