## ACKNOWLEDGMENTS

Time goes by and I do not believe I have come to this stage. This work is the compilation of responsibility, knowledge, and patience that has taught me about the meaning of struggle. Walking through this hard life, I am surrounded by many amazing people to whom I like to appreciate my deep respect, thanks, and love.

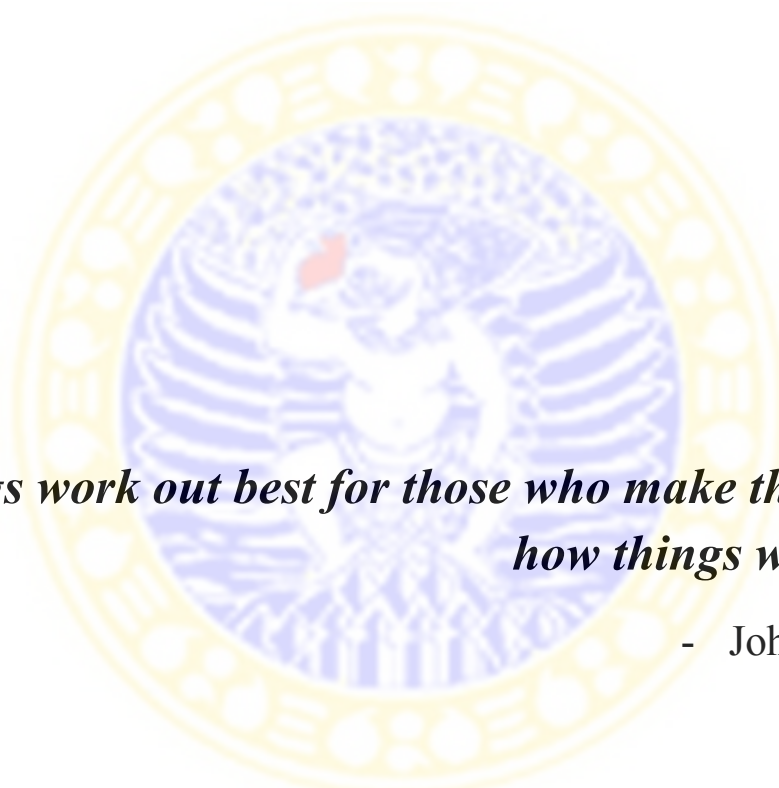

First, I would like to thank a lot Mrs. Yulia Indarti, M. A. I feel so blessed to have her as my thesis advisor for her guidance, advice, time, kindness, patience, and support. And I would like to deliver my grateful thanks to all lecturers at Airlangga University, particularly lecturers in English Department, for their knowledge and assistance.

Second, I thank all my friends in English Department, including seniors and juniors, for their support, affection, attention, help, and prayer. Without them, especially my friends in year 2010, I would not ever feel pleasant friendship as one of pleasures from Allah SWT. Not mentioning any name here does not mean that they are too ordinary for me. It is simply because they are too extraordinary for my life, then I am afraid if I may miss to mention one by one.

Finally, my sincerest appreciation is delivered to my dearest Dad and Mom. I thank them for their understanding shelter, laughs, tears, sweats, cares, and genuine love. They are the priceless gift from God to me. Every single thing that I have in my life is never enough to pay back their endless love to me in my entire life.
