## ACKNOWLEDGMENTS

First and foremost, praises and thanks to the Allah SWT the Lord Almighty, for His showers of blessings throughout my research work to complete the thesis successfully.

I would like to express my deep and sincere gratitude to my thesis advisor, Ms. Masitha A.S., M.Hum, for generously providing guidance on the technical aspect of this paper, for continuously encouraging me and pushing me to my limits to complete my thesis this semester, and for all the patience and support she gave me since day 1 of my thesis completion. I also send my thankfulness to my academic advisor Drs. Amir Fatah, M. Hum and all lecturers of English Department Airlangga University for the knowledge and experiences that have been shared and transferred.

My deepest gratitude goes to my family for their unflagging love and support throughout my life. This thesis is simply impossible without them. I cannot ask for more from my Papa and Mama, as they have both been wonderful parents to me. I have no suitable word that can fully describe their everlasting love for me. They have helped me financially, morally and spiritually. They always gave me words of encouragement and support me during the hard times. They always believe that I am good at my work and that I can finish this thesis, in God's grace. Mama and Papa, a million thanks to you. I love you both, so much.

I wish to thank my grandma, for reminding me that I also need to take a rest and for making me those wonderful cooking. Most of all, I really grateful to you grandpa, may God bless you and may your soul rest in peace. I miss you

every single day. To my uncle Rico and my aunts Mami, Wiwin and Othenk, thank you for your prayers and words of encouragements. To my cousins, Zidan, Zaldy, and Gozy, your presence always managed to cheer me up when I was down. My sincere gratitude to you brothers. I love you.

My appreciation likewise extends to my umbrella research partners, Arina, Brian, and Febriana. I had a great time working with you guys. My thesis would be impossible without your cooperation and supports. For entertaining even my trivial questions, I am grateful to Dimas, Robby, Ami, Makhda, Rynatha, Risma, thank you for the helps and support guys. Last but not least, I address my gratitude to all of my friends in English Department and all my other colleagues who, in one way or another, have been part of the completion of this paperwork. Thank you so much for the amazing 4 years guys!
