ACKNOWLEDGEMENTS

I would like to express my deepest appreciation to my beloved parents who always support me for all the time I've been through, give me full-time motivation, and cherish me with all the love. My gratitude is also for my sister and brother; and all of my family; those before me, those after me, and those all around me; and also for Allah SWT who has given his blessings which can lead me to finish this thesis.

I was only able to complete this thesis with the generous support of my thesis advisor, Ibu Erlita Rusnaningtias, M. A., who has given me so many suggestions and guidance. Thank you for being patient in guiding me to complete this thesis. I would also like to thank to the rest of lecturers of Universitas Airlangga for the knowledge they have given to me.

I must thank particularly to my second family; Donny Herdiawan who has become prooflistener, provided me with many information, and given me support; Rahmatunnisa N. S; Petty D. A.; Nurul Rizky U.; Inneke Y. A.; Rosita A.; and Farah N. I. who are always there for me in my good times and bad times, cheerfully making my day, and being my partners in any condition.

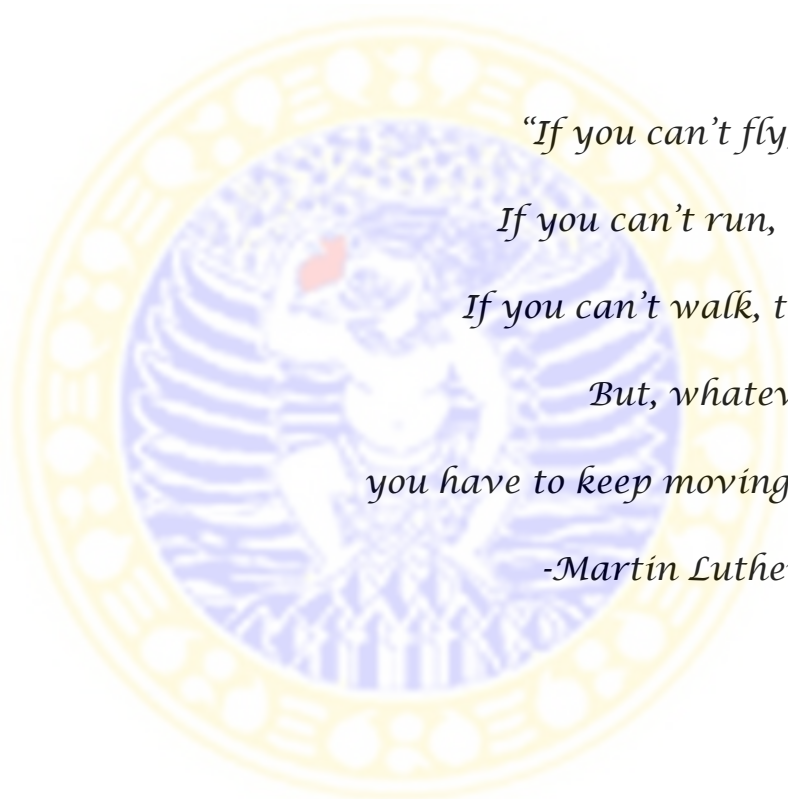

I would also like to place on record my gratitude to the MaMaø team; Widyaning I. I. who has been my loyal partner in any academic occasion; Nur Fita S.; Tyas T.; Azmi K.; Anggit R.; Valdi H.; Maharani K. R.; Dina A.; Tiya K. D.; Devany Y. H.; Putu Deri S. M.; Mikhail A. K who have given me a huge experience and taught me to think realistically. Thank you for the great experience

and lesson which make my day become more colourfull and for the love and care you all have given to me. Moreover, I want to thank to Qurrota A. who has become my close friend since first become a student in Universitas Airlangga, thank you for your kindness during our time together and also for all EDSA 2011 members who have given me many experiences and impressions. Without you all, I would never be where I am today.

My special thanks are extended to my unbiological siblings, Septyana Luckyta S. and Aji Sulaiman who have become my crazy partner yet become my great advisors for every problem I had. Thank you for the support and the spirit throughout my college years. I am also very grateful to Rindica N. S. who has become my very loyal friend since junior high school and become my best deskmate ever.
