ACKNOWLEDGEMENTS

When you believe in something, nothing is impossible. You can do and make it true. With efforts, spirit, strength to live the life, and pray to the Lord, the little things can be reached. These things enable me to come to this stage, finishing one of my life journeys as a student.

First of all, I would like to thank Allah SWT who always gives me all the best in my life, including finishing this thesis. Thank you for giving me patience, strength, optimism, family and all of my friends who always support me.

Second, this thesis will never be accomplished without the help of my Advisor, Yulia Indarti, M.A. From the deepest of my heart, I would like to thank a lot for her kindness, patience, advice, support, time and knowledge. I also send my gratitude to all lectures in English Department, Faculty of Humanities, Universitas Airlangga for their guidance and knowledge for all these times.

Third, my sincerest appreciation is delivered to my dearest mother and father. Thank you for all the things that you have done for me and always support me so I keep fighting. I will make you proud of me. Big thanks also go to my aunts, uncles, cousins, and all of Koesharlo family. You are all so mean to me.
