The seal of Universitas Airlangga is a circular emblem. It features a central figure, likely a Garuda, with wings spread, holding a book. The figure is surrounded by a decorative border with intricate patterns. The seal is rendered in a light blue and yellow color scheme.

ACKNOWLEDGEMENTS

In the name of Allah, The Beneficent and The Merciful, I would like to thank Him for His blessings and grace so that I can finally finish this thesis. All praises for Him who enlightened me when life did not get any easier. I will never forget to say His name in my prayers for every breath that I take and every move that I make.

More importantly, I would like to say thank you for my advisor Mrs. Erlita Rusnaningias, M.A as without her, I will never have my thesis accomplished. I cannot be more grateful to have such an expert lecturer to guide me directly in writing one of my important life journeys. Also, I want to thank all of the lecturers in English Department Faculty of Humanities Universitas Airlangga for bringing the knowledge and giving their best to the students for the past four incredible years.

For my beloved family, my first gratitude goes especially to my father who had supported me entirely and given me all that he had in helping me finishing the research. Even though he had no chance to see the result, I sincerely dedicate the thesis for him and wish that he will be the proudest father in heaven to see the outcome. For my mother and my two little brothers, thank you for the prayers and the voice notes you sent me every morning so that I had more strength and power to face the day.

Last but not least, I would also like to thank all of the people who had been involved directly or indirectly in the process of writing. Thank you, Aisyah, for being the best friend in the whole universe, keeping me awake, and erasing my sorrow for more than I can count. Thank you, Kartika Agustina, my roommate-sister who have been helping me with no end from the very beginning of my college life. Thank you Ziya, Intan, Pupuk as my second advisor, Julla, Lanny, Ela, Shinta, Ricky, Itou, Faiz, Jhien, and Afif for the tears, the laughters, and the memories we shared to complete the story of my life. Thank you, Naomi, for being my English partner since years ago. Thank you for the British Five and the Korean Six for being the moodboosters when my days got darkened. Thank you

for all of my other friends whom I cannot mention one by one. All of you mean the world to me and I cannot thank you enough for being the part of my life.
