ACKNOWLEDGEMENTS

Foremost, I would like to express my deepest gratitude to Allah SWT who always blesses my life and especially helps to strengthen me finishing this thesis. Deepest gratitude is also expressed to Prophet Muhammad SAW who influences me to have great spirit for finishing this thesis with his inspiring and enlightening way of life.

I would like to express the deepest appreciation to my thesis advisor, Dra. LillaMusyahda, M.Pd, a genius who is filled with excellent idea. Without her supervision and constant helps, this thesis would not have been possible. I am grateful to be one of her pupils. It is an honor for me.

Deep appreciation is also given for the lecturers of English Department, Faculty of Humanities Universitas Airlangga, for the knowledge they have shared, especially linguistics lecturers who inspire me a lot. I learn from them how to be a 'real human', not only excellent in *hardskill*, but also *softskill*.

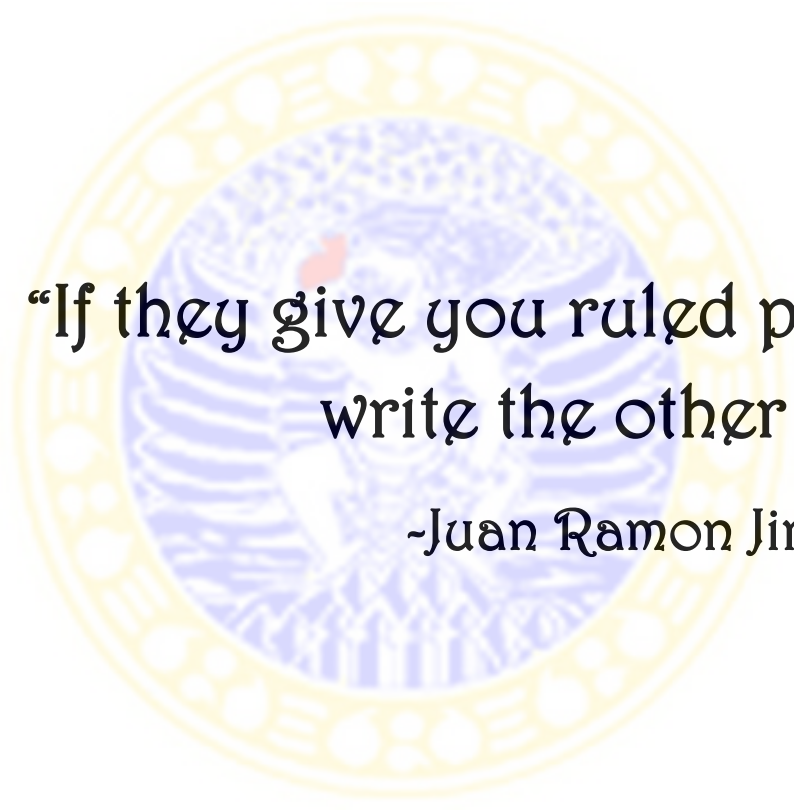

My endless love will always be sent for my mother, Mami, and my father, Suwani, for all your support, motivation and prayers. You are the greatest parents I have. For my four young sisters, thank you so much for always making me smile. My deep gratitude is also for my grandparents, Munarah and Suyono, who always support and pray for me. I would like to thank my aunt, Indah, for all her supports and helps whenever I need. I also feel grateful for Yuli's help. Thank you for lending me your laptop when mine is broken. For Mbak Nicky who does not mind helping and accompanying me taking the data, thank you so much. For my big

family members who I cannot mention all, thank you for all support you have given to me.

Last but not least, I would like to say thank you to all my friends. They are my friends in *genk NERO*: Nabilah ‘qubil’ and Kartika ‘cungkring’, who are full with brilliant idea, Desi ‘wiwik’ who cares me so much, Putri ‘siomay’, and Ariel ‘upiels’) who always cheer me up with their ‘harsh joke’. We study hard and play hard together. I also want to say thank you to all of my friends in *EDSA 2K11*. We have been together and have shared many unforgettable moments. I also want to thank my friends in UKM Taekwondo Universitas Airlangga who strengthen me with their spirit and support. I love you all.
